

Using a comprehensive youth development curriculum, trained professionals with the Boys & Girls Clubs of Martin County strive to enable and inspire all young people, especially those who need us the most, to reach their full potential as responsible, caring and productive citizens.

For just \$25 for the entire school year, each Club member – age 6 to 18 – receives after-school and summer programs that focus on education, character and leadership skills, health and life skills, recreation and the creative arts.

Now the Club is excited to begin a capital campaign to build a new Club and community center in Indiantown on 6.5 acres of previously donated land. The new Indiantown branch will include a gymnasium, stage, tutoring rooms and much more.

To learn more about the programs or capital campaign, please call the Boys & Girls Clubs of Martin County at (772) 545-1255 or log on to [www.bgcmcf.org](http://www.bgcmcf.org).
